The ticket office has fielded a number of calls from Terrier fans looking to make the trip to College of Charleston for the men's basketball game on January 8. Unlike for road games in football, there is no ticket office exchange program for basketball. Fans wishing to follow the Terriers on the road will need to call the ticket office of the host school. Ticket information for the 2005 Kyocera/Southern Conference Basketball Championships to be held in Chattanooga, Tenn. March 2 - 5 can be obtained in the Wofford Athletic Ticket Office. More details on that event will be featured in next week's "Around the Water Bowl."

It marked the Wofford Division I-era record for runs scored in one inning. The 20 runs scored tied the Division I-era record for most runs scored in a game as well. A new way to view upcoming promotions

Starting today, fans will have a new, easier way to view upcoming promotions for all athletic events. Rather than clicking on the "Upcoming Events" page on the Marketing and Promotions website and getting a listing of events for a two to three week span, you will be able to access the entire season of promotions. The listings will be updated as any changes or additions are made, just as it was before, but now fans can plan much further in advance. The site is up and running and you can access the link under the "What's on Tap" section of "Around the Water Bowl."

Listen to Terrier baseball live on the radio!

Today's baseball contest against High Point will mark the first radio broadcast of a Terrier baseball game in memory as AM 1510 WDRF begins a 7-game on-air schedule to include the remaining middle of the week and Saturday contests at home. The games broadcast on AM 1510 are in addition to games that were originally scheduled to be heard via the internet on TEAMLINE.

Textile League Baseball Day planned for April 9

Wofford Sports Marketing will host a special afternoon at Russell C. King Field to pay tribute to the rich history of Textile League Baseball in the Upstate. During the Saturday, April 9 game against Davidson, Wofford is inviting authors of books on Textile League baseball as well as former players and their families for special recognition. If you have artifacts from the Textile Leagues (old programs, jerseys, baseballs, bats, etc) the Regional Museum of Spartanburg County will accept donations of those items for a special display and to ensure the items preservation.

Contact Lenny Mathis at (864) 597-4110 if you are an author or civic organization wishing to set up a table at the ballpark for Textile League Appreciation Day.

Also, on this date will be our "Kids Day" at the ballpark where all kids 12 and under will get the opportunity to play wiffleball on the field following the game and members of the Terrier Tikes Club will get a special hot dog lunch. Members of the Terrier Tikes Club should have received information in the mail and are asked to please RSVP for the lunch by calling the number above.
